

Cable Drum W/Crank

Item No.: 361362229

Product information

The cable drum helps in storing the gas hoses and welding cables instead of cluttering the workshop floor and preventing the management of long hoses that is a waste of time and decrease the efficiency.

To reduce tripping accidents and an access for carts and trolleys you need a free from hoses workshop floor.

Features

- It has a folding crank which locks the drum from uncoiling the cable when the crank is folded inwards
- Capacity up to approximately 100m x 70mm² welding cable
- The drum is supplied with brackets for bulkhead mounting

Benefits

- Less wear and tear on hoses and cables
- Avoid tripping accidents and improve safety
- Saves time with efficient management of long hoses and cables

Specification

General:	Invent Hazard Material (IMO/EU) classification	NA
